# Death Day

👁 12 ✓ 0 ★ 1

## Chapter 1 by lightningstrikesannah (I'm back!)

Jonathan sat across from his wife at the best restaurant in town. This day couldn't get any better. The entire day, people had been really nice to him. He didn't know why, but he enjoyed the attention and kindness.

Yet, everyone also looked at him with a sad look in their eyes. He wondered why, but that thought had quickly diminished when his wife booked them a reservation at La Scalas.

As everyone knew, all humans now had the capabilities to discover when others were going to die. Of course, you didn't know your own death date.

Jonathan knew his wife's death date, and she knew his, but they had years to go before they had to start worrying.

Right?
